

DO NOT ALLOW PASSENGERS TO USE THEIR CELL PHONES IN THE AIR, WE STILL DO NOT KNOW THE EFFECTS. PASSENGERS WILL IGNORE FLIGHT ATTENDANT INSTRUCTIONS AND ANNOUNCEMENTS BECAUSE THEY WILL BE TOO DAMN BUSY ON THEIR PHONE. IT'S HARD ENOUGH TO GET PEOPLE OFF THEIR PHONE FOR 2 MINUTES WHEN THEY ARE IN THE EXIT ROW AND I NEED TO BRIEF THEM. YOU PEOPLE CAN SIT NEXT TO AN "IMPORTANT" TRAVELER AND LISTEN TO THEM YAP AWAY.

-A FLIGHT ATTENDANT
